

The unique curriculum inspires excitement about creative arts as it expands the motor skill development.

Children's Programs

Preschool Movement

This variety dance class is designed especially with the preschool child in mind and interrelates creative movement, basics in ballet, tap, and jazz, rhythmic skills, locomotor and coordination skills, and creative drama. The unique curriculum inspires excitement about creative arts as it expands the children's motor skill development.

Ages 3-5 Thursday 10:00 – 11:00 Dittmar Recreation Fee: \$55 per month

Gymnastics~Acrobatic Artistry

A choreography class that adds an artistic dimension to gymnasts' athletic abilities. Curriculum includes tumbling, acrobatics, balance, and fundamental movements with the rhythmic gymnastics ribbons, balls, and hoops. Student explorations combine basic dance movements, and tumbling skills with the rhythmic equipment.

Ages 6-12 Monday 5:00 - 6:00 Blue Lapis Studio Fee: \$85 per month

This variety class is designed especially for the preschooler that wants tumbling, balance, and rhythmic gymnastics in one class. Students will progress through warm-up exercises, strength and flexibility skills, loco motor and coordination skills, creative movement, and a variety of tumbling, balance, and rhythmic gymnastics skills (ball, ribbon and hoop manipulation).

Ages 3-5 Monday 4:00 - 5:00 Blue Lapis Studio Fee: \$85 per month

Tumbling

Students learn proper warm-up and condition with strength and flexibility exercises. With the use of imagery and props, our developmental approach teaches body mechanics, balance and tumbling.

Ages 5-7 Tuesday 6:30 - 7:30 Dittmar Recreation Fee: \$55 per month

Dance & Gymnastics Combination

This variety class is designed especially with the child in mind and interrelates creative movement, basics in ballet, tap, jazz, rhythmic skills, creative drama, tumbling, balance, and rhythmic gymnastics (ball, ribbon and hoop manipulation). Student will progress through warm-up exercises, strength and flexibility skills, locomotor and coordination skills.

Teacher Training Program Develop a high level of awareness in children....

Creative Approach September 9

Enlighten the child's spirit -Enrich the "whole" child's perceptions, choosing multi-sensory imagery, and colorful visuals to entice involvement, organic flow, and quality.

Developmental Approach September 16

Create a step by step manner with a specific intent and goal in mind to ensure that each child progresses successfully. Ensure the foundation is there to build upon, acknowledge the progress of each child, and build self- confidence and a secure image.
